Fifteen Cars Piled Up in the Ditch East of South Manchester

Yesterday at noon freight train No. 75, Westbound, when about a mile East of South Manchester, struck a broken rail, and before the train could be stopped fifteen cars were piled up in a heap, completely blocking traffic.

Train No. 2, the Eastbound F. F. V., due here at 1:35 p. m., and train No. 3, the Westbound F. F. V., due here at 3:20 p. m., were sent over the Norfolk and Western road. The accommodation trains were transferred.

Traffic was blocked about fifteen hours.

No one was injured.

It took the combined efforts of the Covington, Russell and Huntington wrecking crews to clear the track.

The paytrain on the L. and N. was here last night.

BOARD OF EDUCATION

The Board of Education met last night at the High School Building upon the call of President Nesbitt for the express purpose of considering and taking action on the report of the Committee on Rules and Regulations, and for the filling of any vacancy that may occur in the corps of teachers.

The Board was called to order by President Nesbitt, eight members answering roll-call.

President Nesbitt then called for the report of the Committee on Rules and Regulations.

Mr. Cochran, as a member of that Committee, began the reading of the new Rules and Regulations that the Committee had compiled. He read three rules, which were adopted.

Rule 4, which read that all elections be held by ballot, was changed, and the viva voce system substituted.

The rules up to and including Rule 22 were then accepted.

Rule 23 was changed to read that no amount of money over \$50 could be spent without a two-thirds vote of the Board.

The rules up to and including Rule 25 were accepted.

Rule 26 was changed to read that anyone elected by the Board could be removed for cause, after a hearing, by a two-thirds vote of the Board.

The duties of the various officers of the Board were read and accepted, after which the Board adjourned to meet Friday night to complete the work.

An Ill Wind That Don't Blow Someone GOOD!

On the 13th of February last we received a bill for 99 suits bought of L. Siff & Bros., New York. Owing to an oversight or perhaps neglect on the part of the Railroad over which they were shipped the goods did not reach Maysville until June 6th. In the mean time we had to buy the same class of goods elsewhere. We naturally refused to accept the goods when they came. The Railroad Company, realizing that they were liable for damage, through Mr. W. W. Wikoff made us a very generous cash offer to induce us to take the goods, which we did, and the quick corners will reap the benefits of the deal. The suits comprise black single and double breasted, venetian lined, unfinished worsted suits and a number of handsome patterns in grey checks and stripes. These suits were made to sell from \$14 to \$18. Railroad compromise price \$7, \$8, \$9, and \$10. See window display. Remember there are just 99 suits. They will not last long at the prices they are marked.

1852 HUNT'S 1906

FROM MAYSVILLE, OF COURSE!

Was a Cincinnati Woman Who Has One Husband Too Much

In Cincinnati Anna Laura Moran is charged with bigamy.

She and a man named Ed. Lavender were arrested by Detectives while the couple and a 14-year-old boy named Moran were at supper.

The Detectives were accompanied by Thomas Connors, who claims to be the surplus husband of the lady.

Mrs. Moran, when told she was under arrest, seemed unconcerned, though Connors was present.

"Where's your other husband?" she was asked. "He's been dead nine months," she answered.

Then Moran, who had been waiting outside, stepped in and entered objection to being classed as a dead one.

Moran says he married the woman when she was a girl 13 years old. As Anna Laura Pfister of Maysville she eloped with him to Aberdeen, then came to Cincinnati. They lived on Walnut Hills, but he claims he left her because of another man. Moran went to Aurora, Ind., and says he has been sending money to his son, although the boy was led to believe the money was from his uncle, and that his father was dead.

Connors says he married the woman six months ago.

On Lavender, who is also under arrest, was found receipts for money which the first husband had been sending the boy, and also a pawn ticket for Mrs. Moran's engagement ring, the police say.

The sample sale of muslin undergarments was the greatest sale of its kind ever held in Maysville. In fact 3 days after the sale started there was very little choice left.

The constant stream of customers for this underwear still continues, and to meet the demand we have gone through our entire stock of muslin underwear and marked same down to cost and soiled and mused pieces below cost, and with the samples in the window we shall place same on sale **FRIDAY AND SATURDAY.**

THE ROYAL WAIST SALE still continues. Choice \$1.98, worth up to \$7. Did you notice other merchants (not in Maysville) advertise same things for \$3.98?

THAT Grand Jury which indicted 58 laundrymen down in Cincinnati was probably composed largely of bachelors who have been compelled to sew buttons on their Sunday morning shirts.

AND now the Hon. JOHN SHARP WILLIAMS, on the eve of his departure for Europe, has selected President ROOSEVELT as the Republican candidate to succeed himself in 1908. It is very kind, to be sure, to have the Democrats arrange these matters for the Republicans.

LOUISVILLE, a town located somewhere 'way down in the jumpin' off section, paid \$165,000 for the location of the State Fair. Poor old Lexington, right in the heart of the Bluegrass, accessible to Kentuckians from all quarters, could only scrape up \$50,000 to offer for it. But Louisville is all right; she'll "pull" her contribution out of the hayseeds before her first Fair is half over.

It is stated by the German Consul at San Francisco that the German insurance companies will pay their San Francisco losses in full, and he advises holders of policies in them not to accept any compromise. The belief prevails that the Emperor has practically ordered the companies to settle at the full value of the property. It would have been more equitable if the American companies had adopted this policy. As it is, the American fire companies will suffer in reputation little less than the large life companies.

The Atlanta Journal tells of the arrest in that city of a man for kissing his wife on the public square. What was the matter with her lips?

THE Civil Service Commissioners had an examination at Lexington a few days ago for the position of deckhand in the Immigration Service in New York City, at a salary of \$60 per month. It is presumed the applicants were required to tell the name of the fellow who built the Ark, but didn't know which was the larboard or which the starboard side of an East river steamer, or couldn't tell a gang-plank from a capstan.

HON. MELVILLE E. INGALLS of Cincinnati, who has just returned from a foreign journey of 15,000 miles, says—

"BRYAN will be the next President. Nothing can beat him. I voted against him twice, but I'm going to vote for him this time. He has learned a great deal of late years."

The "claim" is not new, by any means. I heard the Hon. BENTON McMILLIN of Tennessee say the same thing from the tailboard of a C. and O. train at the foot of Market street in 1896; but, should the prediction of Mr. INGALLS come to pass, it will be bad for a lot of Postmasters who have come to regard their jobs as a sure thing for life.

When Pierpont Morgan sailed on the Celtic to Naples a stop was made at Ponta Delgada, in the Azores, and thence a deputation came to call upon the magnate.
The talk during the reception turned to music and a lady asked Mr. Morgan if he ever heard the Gregorian music that is sung in the Sistine Chapel at Rome.
"I have," said Mr. Morgan.
"And how do you like it?" the lady asked. "Those chants, you know, are said to be sung to the tunes which were used in David's time."
Mr. Morgan smiled.
"I could never understand till now," he said, "why Saul threw his javelin at David."

Police Court.

The warrant against George Cummings, charging him with shooting a fire-cracker, was filed away at yesterday afternoon's session of the Police Court.

The case against Henry Mason, charged with assault and battery, was called. After hearing Mr. Edward Whittington's testimony, upon whom the accused was charged with having committed the assault, as well as the testimony of Messrs. Thomas Dryden and Edward Galbreath, Judge Whitaker held Mason over to the Mason Circuit Court's September term in \$250 bail. He was unable to give bond and was sent to Jail. Attorney Frank P. O'Donnell appeared for Mason.

Robert Warner, who was arrested on a warrant charging him with wilfully and maliciously cutting and wounding with intent to kill, appeared with Attorney John L. Chamberlain to answer the charge. City Attorney Wood stated that there was not sufficient evidence to try Warner on the charge in the warrant, and it was changed to a breach of the peace. He was fined and costed \$15.50, and was sent to Jail.

Emma Clayton, a colored woman of East Third street, Fifth Ward, was fined and costed \$8.50 for a breach of the peace. She gave bond. Gus Crawford, colored, was fined and costed \$6.50 for a plain drunk. Jail.

The case against William and Sarah Lowe, charged with having stolen garden truck from Mr. Andrew Hunter, was continued, the parties having left town.

Lewis Willis Tolliver, who was one of the participants in the garden truck stealing, was called for trial. City Attorney Wood was advised by Attorney O'Donnell, who was defendant's counsel, that the boy was of unsound mind and not amenable to the law for his acts in this case. Mr. Wood sent for County Attorney Slatery, and upon his advice the boy was tried, Mr. Slatery stating that if the Court held the boy not responsible for the act he would then have him tried for lunacy and sent to the Asylum. The case was proceeded with. After hearing the testimony, Judge Whitaker held the boy for petit larceny, and now the County Court will investigate as to the boy's sanity.

The Prince of Wales as a boy had a great liking for machinery, and small engines and working models were always conspicuous among his birthday presents.

The accounts of the late Major George A. Bartlett, Disbursing Officer of the Treasury Department, shows a shortage approximating \$33,000. About \$14,000 of this amount, however, is said to have been innocently paid out on fraudulent vouchers presented by James W. Boyd, a Clerk in the Marine Hospital Service, who is now in Jail pending his trial for misappropriating Government funds.

Beckham's Machine Busted

Cincinnati Times-Star.
Not since 1899, the year that the late William Goebel aspired to the office of Governor of state, has there been such a decided split in the Democratic party as at present. Those on the inside of political affairs in the state are not a bit surprised at the present split among the leaders. Trouble has been brewing for some time.

A few days before Congress adjourned, General Percy Haley and Judge John Lassing of Boone county, recently appointed a Judge of the Court of Appeals by Governor Beckham, paid a visit to Washington, and had a long confab with Congressman Ollie James. This at the time seemed significant, as these two were the special emissaries of Governor Beckham, and as Mr. James is diametrically opposed to the latter, it set the wise heads to thinking. It finally leaked out that their mission was to induce James to become the administration candidate for Governor.

The question at once arose what was the matter with Sam. Hager, who was the pronounced candidate for that position, with Governor Beckham behind him? This was answered when Sam. Hager and Judge Hines secured the defeat of Percy Haley as Secretary of the Campaign Committee, for which he made a strong canvass and was the personal choice of the Governor for that position. Governor Beckham at once declared himself, and it was a case of love me, love Haley. The downfall of Haley at the hands of Hines and Hager proved conclusively that they were in control of the political machine of the state. Hager is the present Auditor of State, and has been Chairman of the Campaign Committee for years, and was mainly instrumental in electing Beckham as Chief Executive. He is a power in politics, and with Hines practically controlled any nomination for any position.

With these two powers out of the Beckham faction, and allied with the McCreary forces, it can readily be seen who has the best chance between the two for the United States Senatorship. What James will do in regards to becoming a candidate for the Governorship is problematical, as immediately upon the adjournment of Congress he took the first steamer for Europe, saying he would be gone for at least two months, and that he would give his answer upon his return. The present state of affairs is a regular boomerang on the Governor and his erstwhile friends, Hager and Hines, as it was to keep James out of the race for Governor that they set the day of the Democratic primaries with the regular election. This was done to prevent him from having two chances, because they figured that he would try for a renomination for Congress, and if he failed in that he would certainly be a candidate for Governor. It is the consensus of opinion among local politicians that if James does consent to be a candidate for Governor, it will be under the banner of Beckham.

TURNED THEM LOOSE

Democratic Feudists Set Free By Solidly Democratic Jury

Just as was planned,
And just as might have been expected!

After being out only twenty-two minutes, the jury, which had been trying ex-Judge James Hargis and ex-Sheriff Ed. Callahan of Breathitt county at Beattyville, on a charge of killing Attorney James B. Marcum, returned a verdict of not guilty.

Hargis and Callahan were Democratic officials of Breathitt county, and James B. Marcum was a Republican lawyer.

The jury that tried Hargis and Callahan was unanimously Democratic.

There are yet a few people, even in Kentucky, who can see through a grindstone—if there's a hole in it!

In May, three years ago, Marcum was shot to death from behind in the Jackson Courthouse. Jett and Tom White were convicted and given life terms for the murder. It was charged that they were mere tools of Callahan, Hargis and others.

Jett, after conviction, confessed that he shot Marcum and was inspired by Callahan and Hargis. On the witness stand he repudiated his confession and said he alone was responsible.

A jury of Clark county citizens returned a verdict for \$8,000 damages a year ago against Hargis on the allegation that he had Marcum killed. Suit was brought by Mrs. Marcum.

Hargis and Callahan are yet to be tried in a Lexington Court for the killing of James Cockrell under similar circumstances.

There is great interest now to see just what will be the aftermath. Both sides are greatly aroused and many charges are being bruited about, some of which may develop into legal action of some kind.

A TRULY IDEAL WIFE

HER HUSBAND'S BEST HELPER

Vigorous Health Is the Great Source of Power to Inspire and Encourage—All Women Should Seek It.

One of the most noted, successful and richest men of this century, in a recent article, has said, "Whatever I am and whatever success I have attained in this world I owe all to my wife. From the day I first knew her she has been an inspiration, and the greatest helpmate of my life."

Mrs. Bessie Ainsley

To be such a successful wife, to retain the love and admiration of her husband, to inspire him to make the most of himself, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headaches, bearing-down pains, nervousness, irregularities or the blues, she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

Following we publish by request a letter from a young wife:

Dear Mrs. Pinkham: "Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and wretched headaches. It affected my stomach so I could not enjoy my meals, and half my time was spent in bed."

"Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality."

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Ainsley it will do for every sick and ailing woman.

If you have symptoms you don't understand write to Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

Mrs. Emmons Blaine, a rich member of the Board of Education, has offered a solution of the Book Trust fight by agreeing to publish primary readers and sell them to all Chicago children at cost.

River News

Gage marks 5.8 and rising.

The Greenwood will pass up tonight for Ashland.

The Henry M. Stanley is due down today from ports above.

Captain William Bay of Ironton, O., is talking of building a fine, fast boat for a short packet trade in the Upper Ohio.

Unless unusual rains fall in the Ohio Valley shortly, more Government work will be completed along the stream this season than in the last two seasons.

Low water has allowed the upper pools of the Monongahela river to become strongly contaminated with sulphur and iron through inactive streams, and as a result pool boats are finding it difficult to keep boilers in repair.

Major S. R. Crumbaugh, United States Supervising Inspector of Steam Vessels for the Seventh District, with headquarters at Cincinnati, recently received an order from headquarters to report on the efficiency of his corps of inspectors. Two of them are stationed at Cincinnati, two at Point Pleasant, W. Va., and three at Pittsburgh, Pa.

The big towboat John A. Wood, belonging to the M. R. C. C. and C. Co. of Pittsburgh, has been in active service for more than thirty years. She was built in Pittsburgh in 1870, and has been a most successful boat, towing coal principally between Louisville and New Orleans. Mr. Al Faulkner of Louisville has been a pilot on her ever since she was built. The boat is still doing good work towing coal to St. Louis and New Orleans.

MOUNT GILEAD.

Mrs. May Knight is visiting Mrs. Frank Jolley. Mr. Kinze Stone spent a week with relatives at Paris.

Our school is to be taught next term by Mr. Henry Beckett.

Miss Sadie Moore from Dayton, Ky., is enjoying the campmeeting with Miss Lizzie Clay Stone.

The campmeeting at Cherry Grove is now in progress, conducted by Revs. Grinstead and Harris.

Mr. Dave Campbell's sister-in-law from Ohio is visiting and attending the campmeeting with him and family.

The growing crops look very promising. Wheat is turning out fine grain, and we anticipate better flour for the ensuing year.

From the present appearance of our graveyard one would think there was no one in the community who cared for the dead.

Mr. Kinze Stone from Georgetown and Mrs. Sarah A. Cox from Missouri spent a couple of days last week with their brother, H. Clay Stone, and family.

Mrs. Funtie Moore, nee Bean, with her daughter, Sadie, from Dayton, besides being with other relatives in adjoining Precinct, made a few days stay with her cousin, Mrs. H. Clay Stone, and family, then returned home, leaving Miss Sadie for a few more days.

SPRINGDALE.

Fruit and berries are plentiful and crops are booming.

There are several cases of whooping-cough in this vicinity.

A number of citizens joined the excursion to Cincinnati Sunday.

Mr. and Mrs. Aleck Halfhill were shopping in Maysville Saturday.

Mrs. Sara A. Smith is visiting relatives in Lewis county this week.

Mrs. Hulda McDonald is thought to be convalescing from her recent severe illness.

Mrs. Cornelia Cruey Garrett is here visiting relatives. In a few days she will join her husband, Mr. Rufus Garrett, late of Manchester, but now located in North Carolina, where they expect to reside in the future.

The children of our town are in the habit of playing on the large piles of lumber that surround the C. and O. yard. While thus engaged recently one of the piles fell and the little daughter of Mr. and Mrs. Jack Cobb was painfully, though not seriously, hurt.

Miss Aubrey Holmes Martin of Fleming county, who is visiting her grandparents at Maplewood, entertained with a charming all-day social Thursday in honor of her guest, Miss Anna Marie Tully of Lewis county. Music, swinging, horse-back riding, creek wading and delightful refreshments made the day a most joyful one indeed for the numerous little folks, who were loth to separate as evening advanced. All agreed, however, that the little lady from Fleming was a most charming hostess.

Suddenly the summons came to George W. Garrett, late member of Company G, Tenth Kentucky Cavalry. Comrade Garrett was in his usual health at noon Saturday, July 13th. At 1:30 he answered the last rollcall and his scarred body was at rest. "Wash," as he was known to all, was a member of Croton Post, under whose auspices his remains were consigned to their last resting place in Bethany Cemetery last Sunday evening. He leaves a large circle of friends, who extend their sympathy to his bereaved widow. He leaves several children, all of whom are grown. He was in his sixty-ninth year.

Officer Senteney picked Fred Cooper off the C. and O. tracks at the foot of Limestone street yesterday afternoon in a beastly state of intoxication and locked him up.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

The Hon. William Jennings Price, candidate for Congress in the Eighth Kentucky District, while speaking at Lawrenceburg, was overcome by the heat and fell into the arms of his opponent, Judge John W. Hughes.

Joseph H. Fuqua, Superintendent of Public Schools in Kentucky, has sent to the County Superintendent of Schools pamphlets giving a graded course of study and a program for daily recitations for the Common Schools.

A Thorough Consideration

Is not only justice to the manufacturer, it is essential to the merchant—due consideration be given the lines on which he builds his custom. The third and last one who, however, should be the more interested is the one who wears, the one that pays the expenses, all that are included between the time it is doffed from the sheep until donned by man.

CONSIDERATION and COMPARISON

By customers and critics are invited to examine Clothing, Furnishings and Traveling Accessories that are properly constructed. Guaranteed to be higher grade and lower price than others offer. The Jury declined to allow the verdict to be recorded as one of accidental death, saying they considered that a certain amount of blame attached to the Company as well as to the engine driver.

Waiting doesn't pay. If you neglect the aching back, Urinary troubles, diabetes, surely follow. Doan's Kidney Pills relieve backache, Care every kidney ill. Maysville citizens endorse them. Mrs. Lizzie Bridges, wife of Elmer Bridges, of 206 West Third street, Maysville, Ky., says: "In March, 1900, I gave a testimonial praising and recommending Doan's Kidney Pills in it and I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from childhood, and in my efforts to find a cure I tried every medicine I could find, but without benefit until I began using Doan's Kidney Pills procured at J. Jas. Wood & Son's Drugstore. They proved just the remedy I needed, went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."
